Body Wraps have been around for centuries.....  
  
Cleopatra  
So what are you waiting on?

- \*To increase your energy! (Our wraps specialize in detoxing your body, which helps remove the toxins in your body, which we get from foods we eat (preservatives and dyes), what we drink (dyes in soft drinks, caffeine and alcohol), smoking cigarettes, and from air we breathe!
- \*To boost your morale! Our body wraps give you an overall feeling of great well-being! Once unwrapped, you feel refreshed, enjoy nourished skin, and feel slimmer and toner! And those areas of cellulite....they are less visible! Body wraps are a great way to boost your self-esteem!
- \*Vacation \*Weddings –Great for Brides to nourish skin and make you feel your best! Mothers of Brides and Grooms and Bridesmaids will look their best for the 'big day'! \*To tighten and contour your body after weight loss. Our wraps are recommended with every 5 to 10 pounds lost to help contour your body to your new shape! You worked hard to lose that weight, make sure you are getting the full benefit of it!
- \*To eliminate bloating, aches and pains—our minerals are FDA approved, and are formulated to help relieve inflammation caused from different health issues. Our minerals also help relieve bloating, which many women suffer from in their abdominal areas. \*Reunions, graduations....any special occasion! \* Post Pregnancy \*Just for fun!
